

The possessive 's - Svojilni 's

V zvezek zapiši spodnje pravilo:

V angleščini se svojina in odnosi med ljudmi izražajo tako, da na ime lastnika prilepimo svojilni 's', ki mu sledi še predmet, ki ga ima oseba v lasti oz. oseba, s katero je v nekem odnosu:

It's Sue's birthday. This is Sue's sister.

Kadar je oseb več, svojilni 's' prilepimo na drugo osebo:

This is Alex and Jamie's football.

Kadar imata dve ali več oseb nekaj v lasti, na koncu prilepimo le opuščaj '':

Jacob is the girls' brother.
